Programs and Tuition 2022-23

PAYMENT PROCEDURES

A **\$90 non-refundable** processing fee is due when the **Application** is submitted. Once we're ready to offer placement (usually in January for the following September), you will receive a **registration agreement**. Once it is signed, returned, and the required payment made, your child's place is guaranteed for the new class starting in September. After we receive your agreement, we will contact you to arrange an appointment with you and your child for a short school-readiness meeting, usually in the two months before you child begins school.

A **registration deposit** equal to about 30% of tuition is due at the time the registration agreement is signed. The balance of tuition is paid in **three equal installments** due in 2022 in June, September and December.

Note: When we first offer to place your child, and before sending your registration agreement, we may ask that you pay a **enrollment reservation deposit** (up to \$1,000 applied to tuition), in order to reserve your child's offered place. This deposit is non-refundable, except in the case that we do not place your child as requested.

We offer a **tuition discount of \$700** in our half-day program and a **discount of \$1,000** in our full-day program if we receive the signed registration agreement and tuition is fully paid by **April 6, 2022**.

If you enroll two children at The Montessori House concurrently, we offer a **sibling discount** of 10% for the 2nd child (lower tuition).
